RECOMMENDATIONS

Remove any dust/fragments from the surface to be cleaned with a vacuum cleaner or a brush.

Shake product before use.

Spray MOTUL® Fabric & Upholstery Clean 10 cm from the surface to be cleaned evenly.

Leave for 1 minute and scrub with the integrated brush.

Re-spray and scrub if needed. Do a preliminary test on a non-visible area of the upholstery.

Apply the product on the whole surface to be treated (not only on the dirty area) to obtain a homogeneous result.

SECURITY
