

**HYDRAULIC LIFTER CARE  
HYDROSTÖSSEL PFLEGE UND SCHUTZ**

~~Producto para el cuidado y la protección de los empujadores  
hidráulicos  
Hydraulic lifter care and protection improver  
Additive to add to engine oil  
For Gasoline and diésel engines  
Para motores de gasolina y diésel con taqués hidráulicos~~

**UTILIZZO**

Grazie al suo speciale pacchetto di additivi, MOTUL HYDRAULIC LIFTER CARE migliora le proprietà alle alte pressioni e la protezione dall'usura dell'olio motore ed elimina la rumorosità delle punterie idrauliche assicurandone un funzionamento efficace e silenzioso.

**PRESTAZIONI**

MOTUL HYDRAULIC LIFTER CARE, when added to engine oil, allows to:

- improve high pressure properties as well as wear and tear protection of engine oils
- eliminate by lubrication the hydraulic valve lifters rattle noises
- ensure an effective, quiet running and optimal function of the hydraulic lifters.
- reduce engine timing system wear
- decrease engine timing system noise
- increase engine timing system lifetime

**RECOMMENDATIONS**

Add MOTUL HYDRAULIC LIFTER CARE to the warm engine oil when required. Works during operation.

A dose of 300 ml is sufficient to treat 5 L of engine oil. For larger sump capacities add 60 ml of product per litre of engine oil.

Compatible with mineral and synthetic engine oils.

Attention: Check engine oil level before application!

Do not exceed the recommended proportion.
