

Helmet & Visor Clean

Helmet exteriors and visor cleaner

Neutral and non-aggressive formula

Trigger spray

TYPE OF USE

Neutral and non-aggressive cleaner for the outside of the helmet and visor.

Cleans helmet exteriors and visor without leaving streaks.

PERFORMANCES

Neutral and non-aggressive formula.

Removes oily and dry dirt without damaging the surface.

Suitable for all helmets and for all technologies of visors.

RECOMMENDATIONS

Spray MOTUL® Helmet & Visor Clean from a distance of 20 cm approximately over the outside of the helmet and over the visor.

Leave to dry for a few moments.

Wipe with a soft and dry cloth to obtain a perfect finish.

SECURITY

Refer to the MSDS sheet and the information mentioned on the product label.
