

MOTUL AIR FILTER OIL

MINERAL BASE

DESCRIPTION

MOTUL Air Filter Oil is a specific lubricant designed for foam air filters on Off-Road bikes and ATV.

Use MOTUL Air Filter Clean for a perfect cleaning of your air filter prior to each lubrication.

APPLICATIONS

PERFORMANCES

- Meets Suzuki requirements
- Used by Suzuki RM Series as first fill oil

Water resistant, efficiently retains dust, mud and sand for an extended engine life span.

Limited pressure loss on air intake, improves engine power output.

Anti clogging formula.

Prevents water penetrating the filter when crossing fords.

Rapid drying to prevent dripping.

Blue coloured for easy application.

SERVICES AND EQUIPMENT

In addition to its product ranges, MotulTech can provide tools and services for the maintenance and monitoring of your lubricants. Please contact your technical sales representative for more information.

Important Notice

All information and rules about health, safety and the environment are mentioned on the safety data sheet. It provides information about risks, safety procedures and first aid emergency rules. It clarifies all procedures to implement in the case of an accidental spillage, and for the disposal of the product and its effects on the environment.
