

## BIOCLEAN LIQUID

### INDUSTRIAL CLEANERS

#### DESCRIPTION

Universal ready-to-use biodegradable parts washer cleaner and degreaser for all types of mechanical components, machine parts, tools, etc.

Instead of using solvents, MOTUL BIOCLEAN LIQUID degrades the removed oil via the microorganisms to guarantee a long service life.

For types of applications where a biodegradable product is required.

MOTUL BIOCLEAN LIQUID is NSF C1 registered under No. 165861 for lubricants with incidental food contact.

#### APPLICATIONS

With MOTUL BIOCLEAN LIQUID you can extend the operating time of your machine through microorganisms, with regular maintenance. Your work will be fast, effective and safe – no matter if manual or mechanical.

- Cleans aluminium, zinc-coated surfaces and non-ferrous metals as well as steel/stainless steel and plastics (such as PE).
- Solves medium to heavy cleaning and degreasing tasks (41 to 50 °C / 106 to 122 °F).
- Strong and versatile for virtually all materials, for medium to heavy soiling.
- Versatile in use in parts washers, parts washing machines and high-pressure parts washers.
- Environmentally friendly and safe, non-labelled, VOC-reduced.
- Compatible with oil separators.
- Easy disposal with other aqueous oil-water mixtures.

MOTUL BIOCLEAN LIQUID has been specially designed for closed-loop systems.

#### HEALTH AND SAFETY

- Refer to the MSDS sheet and the information mentioned on the packaging.

#### SERVICES AND EQUIPMENT

In addition to its product ranges, MotulTech can provide tools and services for the maintenance and monitoring of your lubricants. Please contact your technical sales representative for more information.

#### Important Notice

All information and rules about health, safety and the environment are mentioned on the safety data sheet. It provides information about risks, safety procedures and first aid emergency rules. It clarifies all procedures to implement in the case of an accidental spillage, and for the disposal of the product and its effects on the environment. The safety data sheet is available on [www.motul.com](http://www.motul.com).

Our product contains natural additives which are likely to modify the colour of the concentrates without altering its performance. The specifications of our products are definite only at the time of order, and are subject to our general sale and guarantee conditions. To give our customers the latest technical developments, the general characteristics of our products may vary.
