

MOTUL CAT CONVERTER CLEANER

READY TO USE FLUID

DESCRIPTION

MOTUL CAT CONVERTER CLEANER is a cleaner additive designed to be used in all types of Gasoline engine catalytic converters, oxidation catalysts and TWC - Three Way Catalytic converters.

MOTUL CAT CONVERTER CLEANER cleans the entire fuel systems, dissolves resins, gums and carbon deposits on Lambda probes and catalytic converter honeycombs.

Mixed with the gasoline fuel, MOTUL CAT CONVERTER CLEANER provides:

- Faster and more efficient cleaning of the catalytic converter and oxygen sensors
- Restores original engine power and performance

APPLICATIONS

A clean catalytic converter and therefore a clean aftertreatment system is a necessary condition for an effective gasoline engine to function. By increasing catalytic converter and Lambda probes performance, MOTUL CAT CONVERTER CLEANER allows to:

- Faster and more efficient cleaning of catalytic converter honeycombs
- Maintenance of the cleanliness of the oxygen sensors and catalytic converters
- Increased engine reliability

The use of MOTUL CAT CONVERTER CLEANER will ensure:

- Improved engine performance and driving pleasure
- Increased power: improved start-up, idling and acceleration
- Reduced fuel consumption and pollutant emissions at the exhaust

MOTUL CAT CONVERTER CLEANER works during operation by providing a perfect lubrication during cleaning phase and prevents removed micro-particles from depositing.

SERVICES AND EQUIPMENT

In addition to its product ranges, MotulTech can provide tools and services for the maintenance and monitoring of your lubricants. Please contact your technical sales representative for more information.

Important Notice

All information and rules about health, safety and the environment are mentioned on the safety data sheet. It provides information about risks, safety procedures and first aid emergency rules. It clarifies all procedures to implement in the case of an accidental spillage, and for the disposal of the product and its effects on the environment. The safety data sheet is available on www.motul.com.

Our product contains natural additives which are likely to modify the colour of the concentrates without altering its performance. The specifications of our products are definite only at the time of order, and are subject to our general sale and guarantee conditions. To give our customers the latest technical developments, the general characteristics of our products may vary.
