

MOTUL CHAIN CLEAN TOUR DE FRANCE

Optimize your road bicycle chain maintenance with MOTUL Chain Clean for enhanced performance and durability, while remaining environmentally friendly

TYPE OF USE

MOTUL Chain Clean - Powerful Degreaser for Road Bike Chains

Discover MOTUL Chain Clean, an ultra-powerful water-based degreaser specially designed for bicycle chains. Formulated without solvents, this highly dissolving cleaner removes the most stubborn dirt, including dust, dirt, sand, and oil. Ideal for optimal preparation before lubrication.

PERFORMANCES

Features:

Superior Efficiency: Effectively removes encrusted deposits for a clean chain ready to be lubricated.

Respect for the Environment: Eco-responsible formula with easily biodegradable ingredients and no volatile organic compounds (VOC).

Protects Metals: Prevents tarnishing of aluminum, brass and other non-ferrous metals.

Suitable for All Types of Chains: Perfectly suited for all types of bicycle chains.

Fast Drying: Evaporates quickly without leaving any residue. Sustainable Packaging: 100% recycled and recyclable plastic bottle.

Official Product: Official product of the Tour de France, approved by the pros.

RECOMMENDATIONS

MOTUL CHAIN CLEAN TOUR DE FRANCE

Optimize your road bicycle chain maintenance with **MOTUL Chain Clean** for enhanced performance and durability, while remaining environmentally friendly

Preparation:

Shake well before use.

Standard application:

1. Spray MOTUL Chain Clean on the chain.
2. Leave to act for 5 minutes.
3. Rinse with water and dry with a soft cloth. If the chain is very dirty, brush with a non-abrasive brush and spray again.

For simple cleaning:

1. Spray MOTUL Chain Clean on the chain, chainrings and the entire moving drivetrain.
2. Scrub with a brush.
3. Rinse with water and dry with a clean microfibre cloth.

Pro tip:

1. Disassemble the chain.
2. Dip it in a tray containing MOTUL Chain Clean.
3. Scrub with a brush if necessary.
4. Rinse with water, dry with a clean cloth, then reassemble the chain.

Lubrication after cleaning:

After cleaning, lubricate the chain with MOTUL Chain Lube Wet (for wet conditions) or MOTUL Chain Lube Dry (for dry conditions). To increase the life of the chain, repeat the operation every 100 km.

Safety:

Refer to the Material Safety Data Sheet (MSDS) and the information mentioned on the bottle for safe use
