

MOTUL MC CARE C2+ CHAIN LUBE ROAD

Lubricant for road motorcycle chains
White coloured and sticky
Spray

TYPE OF USE

White coloured chain lubricant, fully synthetic with PTFE. Specially developed to lubricate all road motorcycle and go-kart chains. Efficient, as the white colour enables optimum dosage. PTFE additives reduce friction, protect against wear and tear. Extremely adhesive - even on high stressed, high speed chains. Water repellent, temperature resistant and perfect anti-corrosion properties. Compatible with O-ring, X-ring, Z-ring.

PERFORMANCES

Based on solid additives AW/EP formulation (anti-wear and extreme pressure), MOTUL CHAIN LUBE ROAD+ reduces the rolling resistance, increases transmission efficiency and keeps its lubricant properties under high temperature.

- Increases chain lifespan.
- Water and rust resistant.
- Protects O-rings, X-rings and Z-rings.
- Contains a solvent to eliminate old residue and to penetrate into the links.
- White colour for easier application.

RECOMMENDATIONS

- Clean the chain with MOTUL CHAIN CLEAN.
- Shake before use.
- Apply to the whole length of the inner chain : easier applying thanks to the white colour of MOTUL CHAIN LUBE ROAD+.
- MOTUL CHAIN LUBEROAD+ adheres completely after 10 minutes of drying.
