

**MOTUL MC CARE C2+ CHAIN LUBE  
ROAD**

AEROSOL

**DESCRIPTION**

White coloured chain lubricant, fully synthetic with PTFE. Specially developed to lubricate all road motorcycle and go-kart chains. Efficient, as the white colour enables optimum dosage. PTFE additives reduce friction, protect against wear and tear. Extremely adhesive - even on high stressed, high speed chains. Water repellent, temperature resistant and perfect anti-corrosion properties. Compatible with O-ring, X-ring, Z-ring.

**APPLICATIONS**

Based on solid additives AW/EP formulation (anti-wear and extreme pressure), MOTUL CHAIN LUBE ROAD+ reduces the rolling resistance, increases transmission efficiency and keeps its lubricant properties under high temperature.

Increases chain lifespan.

Water and rust resistant.

Protects O-rings, X-rings and Z-rings.

Contains a solvent to eliminate old residue and to penetrate into the links.

White colour for easier application.

**SERVICES AND EQUIPMENT**

In addition to its product ranges, MotulTech can provide tools and services for the maintenance and monitoring of your lubricants. Please contact your technical sales representative for more information.

**Important Notice**

All information and rules about health, safety and the environment are mentioned on the safety data sheet. It provides information about risks, safety procedures and first aid emergency rules. It clarifies all procedures to implement in the case of an accidental spillage, and for the disposal of the product and its effects on the environment. The safety data sheet is available on [www.motul.com](http://www.motul.com).

Our product contains natural additives which are likely to modify the colour of the concentrates without altering its performance. The specifications of our products are definite only at the time of order, and are subject to our general sale and guarantee conditions. To give our customers the latest technical developments, the general characteristics of our products may vary.
