

MOTUL MC CARE E9 WASH & WAX SPRAY US

Dry cleaner
Cleans and shines up plastic parts and paints
Spray

TYPE OF USE

WASH & WAX is the dry cleaner for your motorcycle. Thanks to its exclusive formula, it cleans and protects motorcycle bodies without water : fairings, rims, frames, swingarms.

1/ Easy to use, WASH & WAX wipes clean all surfaces in depth without using water or rags: removes mud, dirt and others stains.

2/ Deposits a protective wax film for extended effectiveness. Enhances body shine.

PERFORMANCES

WASH & WAX cleans and shines up all surfaces, in depth, without using any water:

Removes mud, dirt and others stains.

Easy to use.

Leaves a protective wax film for extended effectiveness.

RECOMMENDATIONS

Avoid spraying product on hot surfaces and under direct sunlight

Spray WASH & WAX directly on the surface to clean.

Scrub with a soft rag clean and dry.
