

MOTUL FRAME CLEAN OFF ROAD

Cleaner for off road bicycle frame and parts
Bottle with trigger spray – 500 ml

TYPE OF USE

MOTUL® Frame Clean dissolves the toughest contaminations to perfectly clean bicycle frames of off road bikes, mountain bikes, gravel...etc, conventional and electric.

Suitable for gloss and matt surfaces, for powder-coated surfaces and for a wide variety of other applications including the most sensitive materials, such as carbon fiber, lacquer, chrome, paints and plastics.

Suitable for off road bikes, mountain bikes, gravel...etc, conventional and electric.

MOTUL® Frame Clean is an official product of UCI – Mountain Bike World Series™.

PERFORMANCES

MOTUL® Frame Clean is a water based bicycle frame cleaner with strong dissolving power for removing heavy soiling from all encrusted deposits : dust, sand, soil, mud, oil....

It dissolves the toughest contaminations with a foaming and adhesive formula that is ideal for vertical surfaces and for extreme cleaning of bicycle frames.

Eco designed product specially formulated with readily biodegradable ingredients, the natural active ingredients makes MOTUL® Frame Clean suitable for powder-coated surfaces and most sensitive materials, such as carbon fiber, lacquer, chrome and plastics.

Evaporates very quickly.

VOC free. Hazardous free.

100% recycled and recyclable plastic bottle.

RECOMMENDATIONS

Shake MOTUL® Frame Clean bottle before use.

Spray MOTUL® Frame Clean on a wet frame.

Let it soak for 5 to 10 min.

Scrub with a sponge.

Rinse with water.

We retain the right to modify the general characteristics of our products in order to offer to our customers the latest technical development.

Product specifications are definitive from the order which is subject to our general conditions of sale and warranty.
