

**Gasoline fuel saver additive
Multifunction & performance fuel additive
For Gasoline engines – injection or carburetor**

TYPE OF USE

MOTUL® FUEL SAVER GASOLINE is a gasoline fuel additive, specifically formulated to bring fuel economy benefits for gasoline engines.

Especially designed for all gasoline engines, MOTUL® FUEL SAVER GASOLINE is suitable for all types of injection, turbo-charged or naturally aspirated gasoline engines, with or without catalytic converter, using all types of gasoline fuels, leaded, or unleaded, Ethanol, LPG and biofuels.

Fuel economy performance and multifunctional fuel additive, MOTUL® FUEL SAVER GASOLINE addresses main concerns of gasoline engines:

- Cleaning the fuel injection system from tank to combustion chamber
- Improving engine combustion to reduce fuel consumption and restore original performance
- Stabilizing the fuel being stored for long periods in the tank between refills
- Protecting the engine with its long lasting effect

PERFORMANCES

A clean fuel and a clean fuel injection system are mandatory conditions for optimal operation of the gasoline engine fitted on any vehicle.

The exclusive formulation of MOTUL® FUEL SAVER GASOLINE allows to:

- Clean the injectors or carburetors (for a better spray atomization) and thus better combustion
- Prevent the formation of deposits and varnishes on inlet valves and in combustion chambers
- Avoid gums and varnishes clogging the injectors and the fuel circuit
- Preserve the qualities and properties of gasoline fuel for a longer period
- Limit condensation throughout the entire fuel system
- Disperse the condensation water to avoid any oxidation of the injection system

A regular use of MOTUL® FUEL SAVER GASOLINE will provide:

- Reduction of fuel consumption by up to 5%
- Restoration of original engine performance
- Reduction of pollutant emissions (recommended before MOT test)
- Preservation of original gasoline fuel properties and performance

Product specifications are definitive from the order which is subject to our general conditions of sale and warranty.

MOTUL FUEL SAVER GASOLINE

Gasoline fuel saver additive
Multifunction & performance fuel additive
For Gasoline engines – injection or carburetor

- Increased life duration of injection systems and exhaust post treatment systems
- Increased durability and driving comfort

MOTUL® FUEL SAVER GASOLINE ensures perfect lubrication during the cleaning phase and prevents removed micro-particles from depositing thanks to its exclusive long lasting effect formula.

RECOMMENDATIONS

Pour the entire bottle of MOTUL® FUEL SAVER GASOLINE directly into the gasoline tank before refueling. The fuel will then be protected, and the entire fuel system will be completely cleaned, from the tank to the injector and the combustion chamber. One dose is enough for tanks up to 50 liters. Do not exceed the prescribed dose. If necessary, proceed with 2 successive treatments instead. To preserve the cleaning benefits and enjoy optimum engine performance, use MOTUL® FUEL SAVER GASOLINE regularly. Dangerous. Observe the precautions for use.
