

MOTUL HD COOL INTER

Ready-to-use cooling fluid

Ready to use Cooling Fluid

DESCRIPTION

HD COOL INTER is a ready to use cooling liquid, anti-corrosion and anti-freeze, based on monoethyleneglycol, using an organic / non-organic mix technology, named hybrid additives technology.

This product can be mixed with all monoethyleneglycol based coolants.

APPLICATIONS

HD COOL INTER is recommended for all cooling systems of heavy duty, construction, mining and agriculture vehicles and equipment, gardening, ships, stationary engines, ...

ADVANTAGES

- Protects the cooling system from freezing and metallic parts from corrosion.
- Provides an excellent thermal exchange and therefore improves engine cooling efficiency.
- Combination of nitrites, borates, silicates and organic acids provide long lasting anticorrosion properties on all engine components as engine blocks, cylinder heads, liners, water pumps and radiators.
- Avoids cavitation and increases water pump life-time.
- Seals, hoses, pipes and plastic parts friendly.

**TECHNICAL INFORMATION**

TECHNICAL CHARACTERISTICS	UNITS	METHOD	HD COOL INTER
Color	-	Visual	Yellow
Density at 20°C (68°F)	g/mL	ASTM D5931	1.078
pH	-	ASTM D1287	7.9
Initial crystallization	°C	ASTM D1177	-38.0 / -36.0
Freezing protection	°C		-37.0 / -35.0
Boiling point	°C	NFR 15602-4	108.0 / 226.0

These characteristics are given only for information and can be updated over time.

SERVICES AND EQUIPMENT

In addition to its product ranges, MotulTech can provide tools and services for the maintenance and monitoring of your lubricants. Please contact your technical sales representative for more information.

Important Notice

All information and rules about health, safety and the environment are mentioned on the safety data sheet. It provides information about risks, safety procedures and first aid emergency rules. It clarifies all procedures to implement in the case of an accidental spillage, and for the disposal of the product and its effects on the environment. The safety data sheet is available on www.motul.com.

Our product contains natural additives which are likely to modify the colour of the concentrates without altering its performance. The specifications of our products are definite only at the time of order, and are subject to our general sale and guarantee conditions. To give our customers the latest technical developments, the general characteristics of our products may vary.
