

MOTUL ODOR NEUTRALIZER & AIR FRESHENER NEW CAR

Odor neutralizer & air freshener for vehicle interior
Non-irritating & long lasting formula
Gel pot

TYPE OF USE

MOTUL® Odor Neutralizer & Air Freshener is a 3-in-1 product: it neutralizes and eliminates the most stubborn odors (cigarettes, tobacco, animals, food ...).
It works immediately and leaves behind a long lasting pleasant new car scent in the cockpit for a permanent action of up to 10 weeks.

PERFORMANCES

Exclusive non-irritating and long lasting formula.
Efficient on toughest odors: cigarettes, tobacco, animals, food, ...
Suitable for all vehicle interiors.
By evaporation, the gel destroys all bad smells and leaves a pleasant new car scent for 10 weeks.
This product is filled in a new type of plastic container, which is made of 50% recycled material and is 100% recyclable.

RECOMMENDATIONS

To activate the product, remove the lid.
Place the MOTUL® Odor Neutralizer & Air Freshener pot in the passenger compartment under the front seat of the vehicle.
Leave it there for 10 weeks.
This product is non-toxic to children and pets, neither by ingestion, inhalation nor contact.

SECURITY

Refer to the MSDS sheet and the information mentioned on the trigger spray.
