

## MOTUL RBF 700

## TYPE OF USE

MOTUL (Racing Brake Fluid) RBF 700 is a high-performance brake fluid developed to offer highly consistent and maximum braking power at extreme brake temperatures generated by carbon and ceramic racing brake discs systems. Allows to minimize air vents of the brakes thus improving aerodynamic drag.

Can be used with conventional steel discs.

Can be used for clutch systems actuators.

RBF 700 meets DOT 4 standard allowing the fluid to be used in high performance vehicles for everyday use road applications.
