

## MOTULTECH SAFCO KLEEN 53

Degreasing Agent

SOLVANTED DEGREASER

### DESCRIPTION

**SAFCO KLEEN 53** is a NSF registered degreaser, and it is completely approved for food contact. It is odourless and has been developed specifically to improve user comfort. Its advanced solvency properties facilitate the good decantation of pollutants (which do not remain on the surface as with chlorinated solvents).

**SAFCO KLEEN 53** is compatible with all metals, including plated or precious metals. Can be used pure, at room temperature, with any manual process; using a rag, a pad, or a brush.

### APPLICATIONS

Degreasing and cleaning manufactured and packaging lines, and closed assembly shops.

Perfectly suitable for staff sensitive to odours.

### ADVANTAGES

- NSF approval.
- Odorless.
- Operator friendly.
- Advanced solvency properties facilitating the good decantation of pollutants.

### TECHNICAL INFORMATION

Aspect	-		Clear
Self-Ignition Point	°C	ASTM E 659	230.0
Evaporation	min	NF T 30 301	15.0
KB Value	-	ASTM D1133	45.0

These characteristics are given only for information and can be updated over time.

### INSTRUCTIONS

It is essential to consult the safety data sheet before using this product. Remove all ignition points while the product is in use, and in particular avoid using the product on an incandescent body or on a hot surface. Do not use during vapour phase. Avoid all splashing onto cloth to avoid wicking. No smoking. Do not allow the product to leak into the mains drainage system after use. Use in a well-ventilated space.

## **SERVICES AND EQUIPMENT**

In addition to its product ranges, MotulTech can provide tools and services for the maintenance and monitoring of your lubricants. Please contact your technical sales representative for more information.

### **Important Notice**

All information and rules about health, safety and the environment are mentioned on the safety data sheet. It provides information about risks, safety procedures and first aid emergency rules. It clarifies all procedures to implement in the case of an accidental spillage, and for the disposal of the product and its effects on the environment. The safety data sheet is available on [www.motul.com](http://www.motul.com).

Our product contains natural additives which are likely to modify the colour of the concentrates without altering its performance. The specifications of our products are definite only at the time of order, and are subject to our general sale and guarantee conditions. To give our customers the latest technical developments, the general characteristics of our products may vary.
