

SAFCO SPRAY MULTILUBE

Lubrication / Maintenance

DESCRIPTION

10 PURPOSES AEROSOL 10, BIODEGRADABLE AND NO VOC CONTENT

Penetrating, deoxidizing, anti-humidity, lubricant, degreaser, tar remover, scrubbing, inks thinner, anti-resin, cleaner for plasters and mastics.

- Clean, colorless, it is guaranteed silicon and orthophosphoric acid free and contains no chlorinated solvents
- Remove scrubbing, eliminates light or heavy hydrocarbons
- Based on natural plant esters
- No photochemical reactivity
- Non irritating product
- Very low surface tension
- Compatible with all plastic materials and elastomers and do not attack paint

APPLICATIONS

Nuts and bolts, hinges, pins, machine-tool slides degumming, axes, sheathed cables, electromechanical contacts, hinges, guides, columns, rails, telescopic antennas, chains degreasing.

ADVANTAGES

- One product for various applications.
- Biodegradable.
- Economical.
- Better corrosion protection.
- Anti-wear.

**TECHNICAL INFORMATION**

TECHNICAL CHARACTERISTICS	UNITS	METHOD	SAFCO LUBE	SPRAY	MULTI-
Color	-	Visual	Amber		
Density	-	ISO 12185	0.83		
Viscosity at 40°C	mm ² /s	NF EN ISO 3104	3.6		
Flash point	°C	ISO 2719	104		
Self-Ignition Point	°C	ASTM E 659	200.0		
Breakdown Voltage	V	IEC 156	40 000		
Vapour Pressure	hPa		< 0.1		

These characteristics are given only for information and can be updated over time.

PACKAGING

650 mL Aerosol – pack of 6

INSTRUCTIONS

Aerosol under pressure. Protect against sunlight and do not expose to temperatures exceeding 50°C.

Do not pierce or burn even after use.

Do not spray on a flame or incandescent material.

Keep out from children.

Keep away from flames and sources of ignition – Do not smoke.

Shake before use.

Temperature of use: -10 to 220°C

To install the nozzle fitted with an extension, remove the current nozzle well in the axis of the can; do not make lateral movements so as not to damage the seal of the valve.

Aerosol usable in all positions.

SERVICES AND EQUIPMENT

In addition to its product ranges, MotulTech can provide tools and services for the maintenance and monitoring of your lubricants. Please contact your technical sales representative for more information.

Important Notice

Information disclosed in this technical data sheet is based on MOTUL's experience and know-how in the development and manufacture of lubricants and other chemical products according to the current state of knowledge.

Any chemical product must be used in the intended application and in accordance with the recommendations provided in its safety data sheet freely consultable via the site <https://www.quickfds.com/fr/>. The performance of our products may be influenced by a series of factors, including conditions of use, application methods, operational environment, pretreatment of components, possible external contamination, etc ... For these reasons, universal recommendation of our products is impossible. The information in the technical data sheet represents general, non-binding guidelines and is given for guidance only. No express or implied warranty is given regarding the properties of the product or its suitability for a given application.

Therefore, we recommend consulting an application engineer to discuss application conditions and product performance criteria before use. It is the user's responsibility to test the functional suitability of the product and to use it under appropriate safety conditions. Our products are subject to continuous improvement with the aim of improving performance or bringing them into compliance with any new and possible regulations concerning them. We reserve the right to change our product lines, our products and their manufacturing processes and any provisions of our publications at any time without notice. This technical sheet cancels and replaces all previous editions.

We expressly draw the attention of any user to the fact that our product has not been designed and tested for use in the field of aeronautics as an "onboard" product or in the field of nuclear power production. Any use that may be made of the product in one of the aforementioned sectors will be under the exclusive responsibility of the user. Any reproduction, whatever its form, requires the prior written consent of MOTUL. All rights reserved.
