

MOTUL STREET RIDER PEUGEOT 2T

2-Stroke Scooter Engine Oil
Developed for PEUGEOT MOTOCYCLES
Semi-Synthetic

TYPE OF USE

Street Rider 2T is specially developed by MOTUL for **PEUGEOT MOTOCYCLES**.

It is designed for 2-stroke scooter engines, whether equipped with fuel injection or carburetors, and is suitable for both oil injection systems and premix lubrication.

This lubricant is fully compatible with catalytic converters and is ideal for scooters used daily in urban environments.

RECOMMENDATIONS

PEUGEOT MOTORCYCLES

Used as factory fill and officially recommended by PEUGEOT MOTOCYCLES.

Reinforced semi-synthetic engine oil specifically designed for high-RPM and intensive-use 2-stroke scooter engines.

- Provides exceptional oil film strength for superior wear protection.
- Prevents deposits and maintains engine cleanliness throughout all critical components: combustion chamber, spark plug, piston crown, ring grooves, exhaust port, and exhaust pipe.
- Anti-smoke formulation for reduced exhaust emissions and cleaner operation.

RECOMMENDATIONS

Mixing ratio: 2% to 4% (50:1 to 25:1) according to manufacturer specifications.

Adjust the ratio based on your specific use and operating conditions.
