

## MOTULTECH SUPRACUT EDM 03

Dielectric Fluid

### DESCRIPTION

**SUPRACUT EDM 03** is a dielectric liquid, specially developed to satisfy all EDM machining from rough draft to high precision polishing.

Transparent and odorless, **SUPRACUT EDM 03** has a high flash point offering optimum safety to users.

### APPLICATIONS

**SUPRACUT EDM 03** is particularly suited for the machining of moulds, dies, and is particularly accurate for cutting tools of a complex profile and dimension.

**SUPRACUT EDM 03** is also recommended for Finishing and super finishing operations with copper and graphite electrodes.

### ADVANTAGES

- Excellent cooling power.
- High oxidation and pyrolysis resistance.
- Increase production efficiency thanks to its transparency.
- Penetrate into most narrow gaps.

### HEALTH AND SAFETY

- Free of organo-chlorinated additives and active sulphur
- Formulated following INRS ND 2356-227-12 recommendations
- Good dermatological behaviour
- Storage in a frost-free and dry place

### SERVICES AND EQUIPMENT

In addition to its product ranges, MotulTech can provide tools and services for the maintenance and monitoring of your lubricants. Please contact your technical sales representative for more information.

#### Important Notice

All information and rules about health, safety and the environment are mentioned on the safety data sheet. It provides information about risks, safety procedures and first aid emergency rules. It clarifies all procedures to implement in the case of an accidental spillage, and for the disposal of the product and its effects on the environment. The safety data sheet is available on [www.motul.com](http://www.motul.com).

Our product contains natural additives which are likely to modify the colour of the concentrates without altering its performance. The specifications of our products are definite only at the time of order, and are subject to our general sale and guarantee conditions. To give our customers the latest technical developments, the general characteristics of our products may vary.
