

SYSTEM PROTECT E10

TYPE OF USE

MOTUL SYSTEM PROTECT E-10 is a dedicated formula for vehicles using ethanol fuels, to eliminates deposits in fuel supply system without dismantling. Recommended for all fuels containing up to 85% ethanol.

- Protects against acid formation & corrosion.
- Restores the original power and performance.
- Improves fuel lubricity to prevent excessive wear due to alcohol components.
- Reduces fuel consumption and polluting exhaust gas emissions.

We retain the right to modify the general characteristics of our products in order to offer to our customers the latest technical development.
