

MOTUL WHEEL CLEAN +

Cleaner for all type of wheel & rims
Non-aggressive color change formula
Trigger spray

TYPE OF USE

MOTUL® Wheel Clean + is a cleaner specially developed to safely and effectively remove all dirt and grime from all types of rims materials (aluminum, metal, painted, chrome, varnished, etc....), plastic wheel covers and fitted trims. Its exclusive formula featuring color change active foam allows easier and more efficient application. Suitable for all types of cars.

PERFORMANCES

The exclusive color-changing active foam of MOTUL® Wheel Clean + dissolves efficiently dirt, greases, oils and brake dust residues on the rims.
Protects paint and varnish.
Non aggressive concentrated formula with fresh scent.

RECOMMENDATIONS

Pre-rinse the rims with clear water.
Spray MOTUL® Wheel Clean + about 20 cm (7-8 inch) away from the wheel.
Let sit for 3 min. approx. till the color of the product changes. Do not allow the product to dry.
Rinse well with clear water.
For stubborn surfaces, use MOTUL® Wheel Brush and rinse with a pressure washer.
Repeat process if needed.
Test in an inconspicuous area before initial use.
Do not use MOTUL® Wheel Clean + on any other parts of the car.
DO NOT USE under direct sunlight or on hot surfaces.

SECURITY

Refer to the MSDS sheet and the information mentioned on the spray.
